

Canadian Pacific Regional Load In Information

Load in/out procedure

Below you will find the Load in/out procedure. This diagram shows where teams will enter and leave as well as where teams can park to unload/reload their pits. Please ensure you follow this procedure so that the process goes as smoothly as possible, with only one bay door for loading your assistance will be greatly appreciated.

Note: Load in will be from 6pm to 8pm on March 4th and starting at 7:45 am March 5th.
