Load in instructions (see map below)

1. Teams may arrive to the staging area (see #1 on the map — parking lot JJ) after 3 p.m. No early birds please.
2. Proceed to the queuing area (#2 on the map) when directed by the unloading attendant volunteer.
3. Line up on the left side of the drive (#3 on the map) and stop before the college bay unloading area.
4. When directed, proceed to the unloading zone (#4 on the map). Only two or three vehicles should be unloaded in the unloading zone at a time. **When turning and backing your vehicle toward the designated unloading zone, take your time and be safe. Make sure you have a spotter assisting the driver.**
5. Please unload your vehicle or trailer promptly near the entrance door and exit the area driving on the left side of the laneway (#5 on the map). Drivers are strictly not permitted to leave their vehicles unattended during the unloading process.
6. Turn left and proceed to parking lot F (#6 on the map), behind F building.
