Thursday, March 12, 2020

2:00 PM – 4:00 PM

**INFINITE
RECHARGE**SM

Before competition:

- Teams will be assigned a load in time slot. Please complete the following survey: <https://www.surveymonkey.com/r/2020RyersonLoadIn> to **submit your time preference by 31 January 2020**
- Your LOAD In Time will be communicated closer to date.
- Click [here to load-in map](#)
- Please also inform us if you are bringing another team's robot.
- For questions, please email arti.Javeri@firstroboticscanada.org

Load-IN – Mar 12, 2020: 2:00 PM – 5:00 PM

THURSDAY

- Enter the WOOD ST. PARKING DOCK AREA located on Wood Street between Yonge Street and Church Street. Load
- Address for Mattamy: 50 Carlton St., Toronto, ON
- There will be no entry allowed into the dock from Wood St. Eastbound. Please look at the map for further instructions on entering the dock.
- **Each team can only dock 2 cars/Vans or 1 trailer/1 car into the loading dock.**
- There will be 2 POINTS OF CHECK - IN:
 - At the Loading Dock
 - PIT ADMIN
- 15 minute time slot for 4 teams to off-load at same time
- Each team will be communicated an assigned time slot – PLEASE adhere to this.
- Each team **MUST** bring maximum 5 team representatives (1 must be an adult) to off load your trailer/car and take items to PIT (through the elevator upstairs)
 - **NOTE: DRIVER CANNOT LEAVE THE VEHICLE AT ANY TIME**
- Pack for quick load/unload – large bins/**NO loose items**, bring dollies to help you transport your load
- Team helpers (if not in truck), must arrive at loading dock before truck arrives or load in may not happen
- From loading dock, teams will take the robot/items into the elevator to the 3rd floor to PITS
- CHECK IN at the PIT ADMIN Desk that you have arrived.
- Teams will have 1 hour time from Load In time to set up your PITS
