

## 2020 Mobile Alumni Crew Application

**FIRST** Robotics Canada is excited to launch the new Mobile Alumni Crew ("MAC") program in partnership with the Argosy Foundation.

This pilot project will create Mobile Crews of **FIRST** experts who are made up of experienced **FIRST** Alumni. These crews will respond to inquiries from FIRST Community Mentors who reach out for assistance. Crews will be deployed in response to requests from mentors and teams via the [Online Help Desk](#). Alumni members will receive financial compensation for expenses incurred as a result of travel to and from locations where mentors and teams are in need. **FIRST** Robotics Canada will present MAC members with certificates of recognition to participating Alumni each year.

**Support will be provided to :** ("new" means, first 2 years of existence)

- new mentors with primary focus directed but not limited to, FRC and FTC
- new FIRST teams for all programs; FLLJR Discovery, FLLJR, FLL, FTC, FRC

**Required Experience** - MAC members must have experience in one or more of the following FRC and FTC areas:

Programming - Electrical - Mechanical - Team Management & Sustainability

Identified objectives of the mobile crews:

- 12-16 crew members will be contracted by **FIRST** Robotics Canada
- No salary or hourly pay allocated
- Expenses are cost recoverable ensuring Alumni expenses are covered
- Travel to schools, teams, to provide needed support
- On-call throughout the full year
- Focus of support prioritized to new **mentors**/teams for FTC and FRC programs
- MAC applicant *must have access to transportation* to participate

Alumni Crews will be required to participate in scheduled webinars to share strategies that have proven successful. Alumni Crews participants will individually [report](#) back monthly to the Regional Director metrics referencing types of inquiries and solutions provided.

This section refers to the formal application to fulfill the role as an Alumni Mobile Crew representative for 2020 season. Please provide a response to all statements.

---

If you feel that you have the passion and required experience to be a part of the MAC team, please complete this application and send to Regional Director - [John.hobbins@firstroboticscanada.org](mailto:John.hobbins@firstroboticscanada.org)

I understand that there is no hourly or salary attached to this role, but members will receive compensation for approved expenses incurred as a result of my travel and periodic meals.

I also understand that a FIRST Robotics Canada representative may contact the lead mentor of teams who I have been associated with for recommendation to this role.

I agree to commit to this role and follow all guidelines as stated above in this document.
